Updating the DLX 2DT label printer driver for Windows 10

Before you begin you'll need to be out of Anthology.

- 1. Turn off the label printer
- 2. Go to <u>http://www.cognitivetpg.com/product/DLX/downloads</u> and download the "Printer Driver (32-bit and 64-bit Windows 8 Certified) for C Series, DLX, DLXi" driver.
